FREEDOM

OWNER'S VERSION, ONE OWNER, NEVER CHARTERED, WITH NEW ENGINES!

The Lipari 41 Evolution undoubtedly solidifies the model's status as one of the world's top cruising catamarans in its class. This Maestro version is a true **Owner's version** with an exclusive private suite in the starboard hull including a decadent queen sized bed, desk, library and beautiful ensuite with contemporary designer fixtures.

Aesthetically, the Lipari 41 Evolution represents the pinnacle of European excellence with elegant lines and a revolutionary design that maximizes space, storage and comfort. The catamaran has been constructed with a low center of gravity and light displacement to ensure safety, stability with optimal comfort and performance in all conditions. Its two larger 30 HP (upgraded from 20 HP) Volvo engines offer up to 9.5 knots if required and they are brand new engines replaced in June 2018.

The catamaran's ergonomically designed deck provides convenient centralized handling with obstacle-free movement. The Lipari 41 outshines its competitors in innovation with the mast built into the deck rather than the roof for reinforced structural rigidity and ease of handling.

The new cockpit design features an even larger opening to the saloon to maximize indoor and outdoor integration, as well as a sleek sofa that delivers an idyllic position for enjoying the sea views.

Inside, the galley has synthetic resin bench tops and a 38-gallon refrigerator and a separate freezer with drawers that make it perfect for extended cruising. The galley opens directly on to the cockpit dining area for particularly convenient for entertaining.

The aft cabins have been designed to include wide bays with opening portholes that optimize natural lighting and ventilation.

Primary Engines:	Inboard	Power:	30 hp

interior

This owner version Lipari has an open, spacious galley with ample counters and a large fridge and a separate huge 4 drawer freezer. She has a custom-made shelf unit that is easily removable and lots of storage for galley items.

She features a very comfortable L shaped settee and dinette in the salon with a very functional forward facing navigation table.

On the port side, the forward cabin mattress has been removed and the owner has made a storage room/workshop. This is easily re-converted to the third birth. A large head with a roomy separate shower is located in the middle of the hull. The aft cabin is the guest cabin, with Queen size bed and hanging lockers and shelving.

The Starboard side is the owner's cabin with a spacious birth featuring a thick new memory foam mattress. There is a desk and seat with a wide hull space athwartships. There is lots of storage in here and room to stretch out. Going forward you will find the large owners head with electric toilet, stylish sink basin, and a shower large enough for two.

exterior

The Cockpit is well thought out and designed for maximum ergonomic comfort. She has a large table for dining and relaxation with another settee aft of the helm. The elevated helm provides great visibility and comfort with good access in and out to the deck or cockpit. The decks have a great non-skid with flat surfaces to walk on.
