This beauty is an ocean - tested Blue Water Cruiser, she sailed over from South Africa and she is ready for adventures with new owners. Her large cockpit is the perfect place for entertaining or having a sundown. Her interior is done in Beachwood joinery and is light and airy with excellent ventilation and air conditioning. She has Queen sized births and their own private head. Her mast can be easily removed with quick connections and then stowed over top for The Great Loop passage or any low bridge passages utilizing made removable mast yokes. She has Maxprops and a hand held navigation remote control. Her engine has been professionally maintained and run smoothly. She shows like a much newer boat.
