FLO

Outremer is one of the leading catamaran builders ever. This 1986 43' is where it all began. This boat is basic, and it needs some cosmetic work. What it doesn't need is high expenditure! The boat has all new rigging, new sails, new Yanmar engines with 100 hours, and she is a fast boat.

THIS IS A PROJECT OPPORTUNITY!!!! ALL OFFERS CONSIDERED

The boat is not ever going to be luxurious, but with just a little work, this boat is capable of anything, from racing, to circumnavigation. The boat has two double cabins below, and a single

berth in the salon. This is just such a cool boat, but it does need some love to regain her 1986 splendor! That is a totally worthwhile thing to do for the right person.

For the right person, this is a once in a lifetime opportunity. I sincerely don't expect it to last long. Give me a call, or drop me an email, and I'll fill you in on the rest.
