NOVA SATUS

NEW TO THE MARKET
2011 FP ORANA 44

SHE IS IN EXCELLENT CONDITION AND LOADED WITH RECENT UPGRADES
FOR SAILING OFF THE GRID

ORANA 44 is intended to be a comfortable ocean-going vessel.
Designed by the famous Joubert-Nivelt firm of architects, the ORANA 44 offers:

Just Catamarans, Inc
850 NE Third Street, Suite 207, Dania Beach, FL 33004, United States

Free on-deck movement, like her sisters.

She has opened access between the cockpit and saloon.

A large sliding window for direct communication between the saloon and cockpit.

A three-seat steering station combining all navigation controls, with excellent visibility over the roof.

A sheltered sundeck behind the steering station, which includes two portable sunloungers with adjustable backs. Most importantly, great performances with 110m² of sail, which in normal weather would allow extensive sailing under the wind, limiting use of motors.

4-cabin: in the passageways are four bright, attractive cabins, each with attached lavatory and separate shower room.

This bathroom redesigned to offer more intimacy has a shower separated by a plexiglass panel, a superb free standing wash basin, and a wall unit with mirrors on both doors.
