Manufacturer Description

Leopard Catamarans introduces the elegant, powerfully built Leopard 47 Powercat featuring groundbreaking innovations in comfort, safety, and performance. This new breed of power catamaran is designed by architects Morrelli and Melvin and built by award-winning South African boat builders Robertson and Caine.

Built using the latest technology and materials, the Leopard 47 Powercat integrates an open-plan layout with an exceptional interior volume, offering a comfortable power cat that combines spacious accommodations with superior performance levels. She features outdoor and indoor dining areas, a fully equipped galley, spacious saloon with forward facing navigation station, and a cocktail bar off the galley. Big Mama is a 3 cabins with en suite lavatories and stall showers plus plenty of storage space, ventilation, and lighting. On the flybridge, a centrally positioned helm station is covered by a hardtop bimini and offers excellent visibility on all corners of the yacht for ease of maneuvering. Complete with wrap around seating for 8, a wet bar, BBQ, cooler, and drink holders, the flybridge is the perfect place to take in the scenery.
