Year:	1987	Engine Make:	Yanmar
Condition:	Used	Engine Power:	76 hp

HELIA

This Slocum Pilothouse 43 has been meticulously cared for and upgraded by her owners. No expense has been spared to make her a proper 'round the world blue water boat, and her price comes nowhere near the investment that has been made in her. Upgrades and equipment lists are available on request, but best have a look at this boat while she is still available. For someone looking for a comfortable, spacious, immaculately equipped cruising yacht this is a great place to start.

The big differences between Helia and other Slocum pilothouses are

- 1) non-skid decks (teak removed and deck repaired/resurfaced)
- 2) arch davit with wind generators and solar and ability to hold dinghy with 20hp engine and kayaks
- 3) 2 autopilots
- 4) lower table to starboard has been converted to telescoping support that allows it to become a double berth (upper table to port in all pilothouses converts to berth as well)
- 5) all halyards, reefing lines and staysail sheets run back under the life raft to rope clutches, the electric winch and the staysail sheet winch just forward of cockpit on the cabin top
- 6) Jordan series drogue runs to custom chain plates on the stern as it begins to round
- 7) all hatches and companionway have removable/lockable stainless bars for security with airflow
- 8) 2 new aluminum fuel tanks

Measurements

LOA:	42 ft 6 in	Number of Cabins:	2
Beam:	12 ft 10 in	Number of Heads:	1
Max Draft:	6 ft 4 in		
Dry Weight:	28000 lb		

Propulsion

Engine #1

Engine Make:	Yanmar	Power:	76 hp
Engine Model:	Yanmar		
Primary Engines:	Inboard		
Drive Type:	Direct Drive
