Description

Cabana girl is a beautiful Lagoon 42 that has been well cared for and is in fantastic condition. It has been well outfitted for full time live aboard and blue water sailing with amazing upgrades that really bring Cabana girl a tier above your average Lagoon 42. Among the many great upgrades are included:

- New electronics
- New rigging, including mast and boom
- 1500 watts of solar
- washer/dryer
- upgraded cold storage
- Spectra watermaker
- Lithium battery bank
- and much more....

This boat did incur very minor damage in Irma which was repaired in North Carolina. This resulted in a net positive in the form of a new mast, boom, and standing rigging. The boat also received an ambient lightning strike which again resulted in a net positive via the full replacement of the electronics package. The overall result is a vessel with fantastic upgrades and new equipment.

Cabana girl is currently in the Bahamas and making its way to Fort Lauderdale.
