## Description

Here is your chance to purchase a 2021 Fountaine Pajot Saona 47, Blue Water Cruiser in "like new condition" for a fraction of what a new one would cost. Her owners sailed her from Florida and down to the Caribbean and back, but their plans changed and now they have to sell her.

This beauty has 5 cabins and 5 heads, never chartered, has a nice dinghy and hydraulic lift system, engine upgrade to 60 hp Volvos with very low hours, dual shore power for anywhere, a washing machine, water maker and Lithium-Ion batteries and almost every option available. She won't last long, call for a showing today.

## accommodations

This Fountaine Pajot Saona 47 has 5 cabins and 5 heads. From the spacious cockpit there is an entrance to the aft cabin and ensuite head to port side and the entrance to the helm and sailing station and the upper sundeck/sky lounge on the starboard side. The Sky lounge area up on top of the coach roof and has seating and lay out cushions for sunbathing.

The decks are wide and flat with more sunbathing cushions on the foredeck area. The cockpit has an ice maker and outdoor fridge and mesh shades and full enclosure privacy shades as well. Going inside she has plenty of freezer and fridge space with large counter tops and an island in the galley.

There is lots of storage and galley items included. The starboard side has a spacious cabin forward suitable for owners or guests with walk around bed and a private head with separate shower. the aft cabin is also spacious and a fine guest cabin with private head and shower. The salon has a forward facing nav station and a huge settee. There is lots of room for storage and she has a propane stove and an induction cook top as well. To port side there is a day head and a crew's quarters with bunk beds suitable for children or crew. Going forward on the port side there is a large cabin with ensuite head suitable for owners or guests with a walk around bed.

The helm station has a great seating space for 3 or more and forward are the sailing winches and line clutches., all protected from sun and storms.
