Description

NEW LOCATION AND MEDIA Sail La Vie is a rare Owner's Version Leopard 44 with an ICW friendly mast, upgraded 45hp engines, Gori folding props, and an exhaustive list of additional upgrades and options. This vessel has never been chartered and has been meticulously maintained and outfitted for extended cruising or full time live aboard. With protected cockpits both aft and forward, the Leopard 44 offers unmatched airflow and ease of access to the bow through its forward cockpit door. This vessel has all new electronics, as well as numerous brand-new items of significance, such as new Northern Lights generator and new Spectra water maker.

The engines have been rebuilt with new high output alternators, ECUs, pressure and temperature sensors, fuel sensor, relays, start panels and other such components. The experienced owner, working with a large insurance settlement, is committed to ensuring that when relaunched in March, Sail La Vie will exceed all expectations.

With its low engine hours, and its extensive list of new systems and updated electronics, this vessel is an excellent opportunity to acquire, for the price of used, a boat that is, in many respects, functionally like new.

Information & Features

Yanmar 4JH45 (Engine 1)

Type:	Inboard	Drive Type:	Sail Drive
Fuel Type:	Diesel	Power:	45 hp
Hours:	1303		

Yanmar 4JH45 (Engine 2)

Type:	Inboard	Power:	45 hp
Fuel Type:	Diesel		
Hours:	1304		

Dimensions

LOA:	42 ft 7 in	Max Bridge Clearance:	63 ft 11 in
LWL:	41 ft 8 in	Max Draft:	4 ft 2 in
Beam:	23 ft 9 in		

Tanks

Fuel:	2 x 92 gal
Fresh Water:	2 x 103 gal
Holding:	2 x 23 gal

Accommodations

Cabins:	3
Heads:	3
