THE ROUTE LESS TRAVELLED

IT STARTS WITH A STIRRING DEEP IN YOUR SOUL.

A yearning for freedom that's impossible to ignore.

A longing that keeps drawing you to those wild, unexplored places.

Ever closer to your inner adventurer. That part of you longing for a life of freedom.

A LIFE UNBOUND

THE GREATEST ADVENTURES BEGIN WITHIN. THE REAL JOURNEY? THE STEADY MOVEMENT IN THE DIRECTION OF YOUR DREAMS.

We understand because we've been there. The pursuit of freedom. The allure of the open seas. At Knysna Yacht Company, we may be creators of one-of-a-kind, world-class multihulls, but we know the pull of the ocean. A life lived on your own terms.

We understand because before we're detail-obsessed yacht builders, we're explorers at heart.

WILL YOU FOLLOW WHERE
YOUR HEART LONGS TO GO?

NO ADVENTURE UNLIVED. NO WILD PLACE UNEXPLORED

EXPERIENCE THE THRILL OF HIGH-PERFORMANCE SAILING COMBINED WITH EVERY MODERN CONVENIENCE.

The Knysna 550 epitomises style, luxury and performance in one elegant package. A sleek and modern 55-foot bluewater sailing catamaran, the Knysna 550 features an optional flybridge that allows a forward view over the foredeck and superior all-round views of the yacht.

The Knysna 550 was designed for performance. It also offers complete peace of mind when it comes to safety, stability, manoeuvrability and ease of operation. Select either three or four double en-suite cabins to your yacht's internal layout, or add a 5th cabin for crew.

WELCOME TO LIVEBOARD LIFE

STYLE, COMFORT AND LASHINGS OF LUXURY

The master cabin offers the practical convenience of a captain's desk for your laptop and navigational gear. It also has ample storage space and a well-lit ladies' vanity area.

Large windows invite natural light, offering breathtaking views of the ocean. Choose between plush carpeting or marine floorboards and be sure to select the trims and finishes that will make the master suite your unique haven on the water.

You will have the option of using one complete hull as a master suite, while two spacious double en-suite guest cabins ensure friends and family spend their stay in comfort.

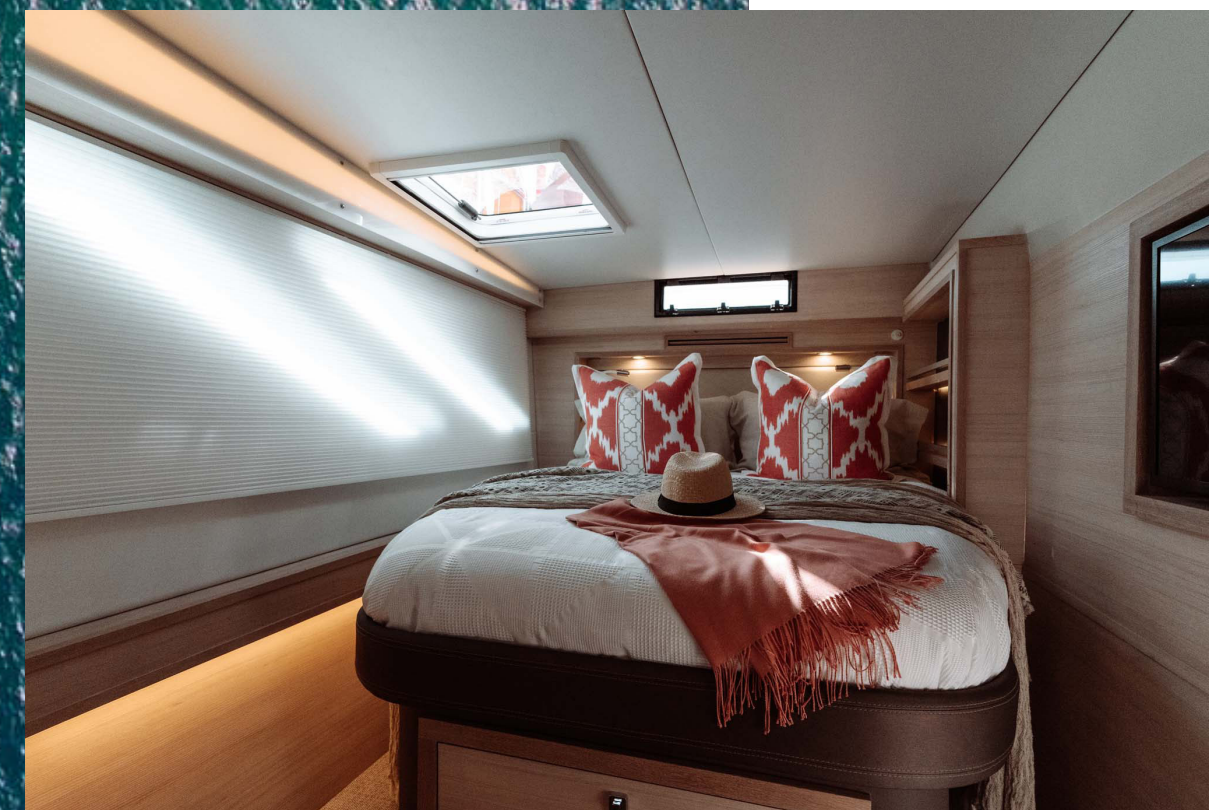

Alternatively, you can opt for 4 double en-suite cabins of equal size, or add a 5th crew cabin.

When the ocean becomes your playground, your cabin will be a retreat from the occasional bustle of onboard life. We understand the importance of comfort, style and quality.

MASTER CABIN FEATURES:

- Captain's desk with power points for laptop and navigational gear
- Ladies' vanity area with seat, mirror and power points
- Air conditioning
- Flat-screen television
- Open-ended double berth with downlights and reading lights
- Foam mattress and headboard
- Spacious, private head
- Large shower area
- Dressing area with shelving and hanging cupboards
- Electric fan (optional)
- Stereo sound (optional)
- Courtesy LED strip lighting in certain areas

Disclaimer: Master cabin features are subject to change, depending on yacht layout.

YOUR CAT, YOUR CHOICE

THREE, FOUR OR FIVE CABINS? CORPORATE VACATIONS, FAMILY LIVEABOARD OR CHARTER INVESTMENT?

Another advantage of the boutique yacht manufacturing experience is the amount of say you will have in the layout of your vessel.

You may be looking for the perfect yacht on which to relax with clients a few times a year, or planning to retire on the water. Whatever your onboard-living requirements, the Knysna 550 is semi customisable to become your ideal home on the water – and the choice of layout is yours alone.

3-CABIN LAYOUT

The 3-cabin layout uses the port hull for the spacious and elegant master suite. The starboard hull will accommodate two comfortable double en-suite guest cabins, ensuring guests a great night's rest.

4-CABIN LAYOUT

The 4-cabin layout allows for four double en-suite cabins, two to each hull. All cabins are fitted with high-quality trims and finishes and offer comfortable, open-ended double berths with reading lights and air conditioning.

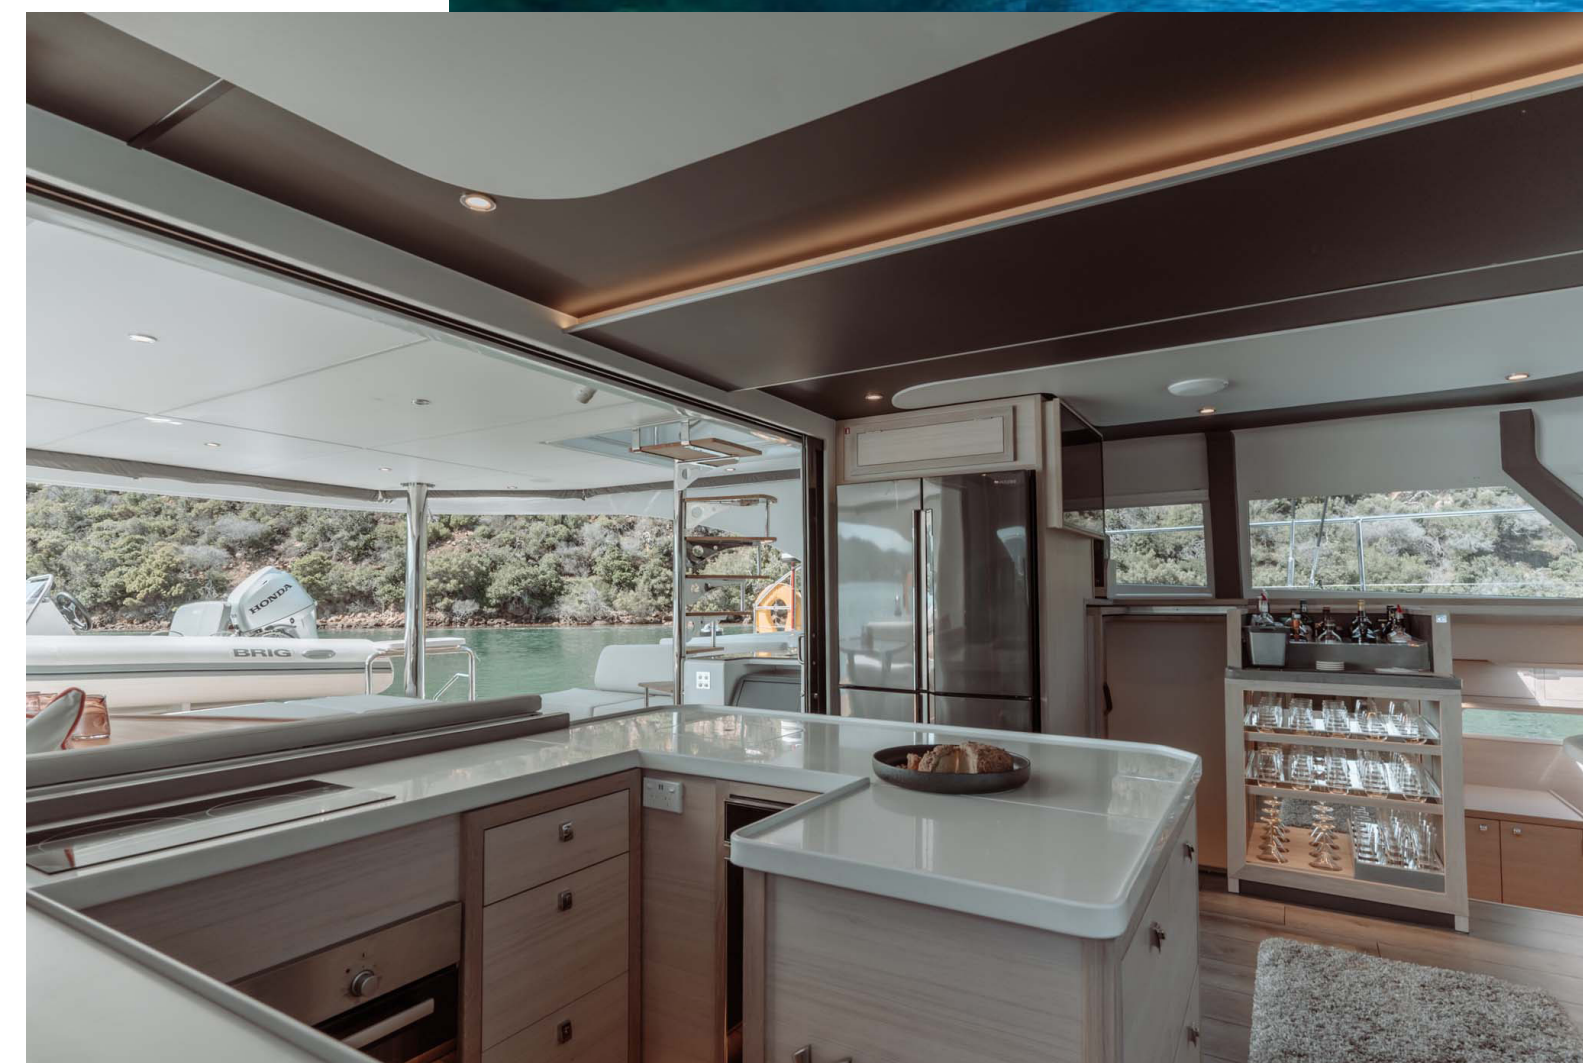

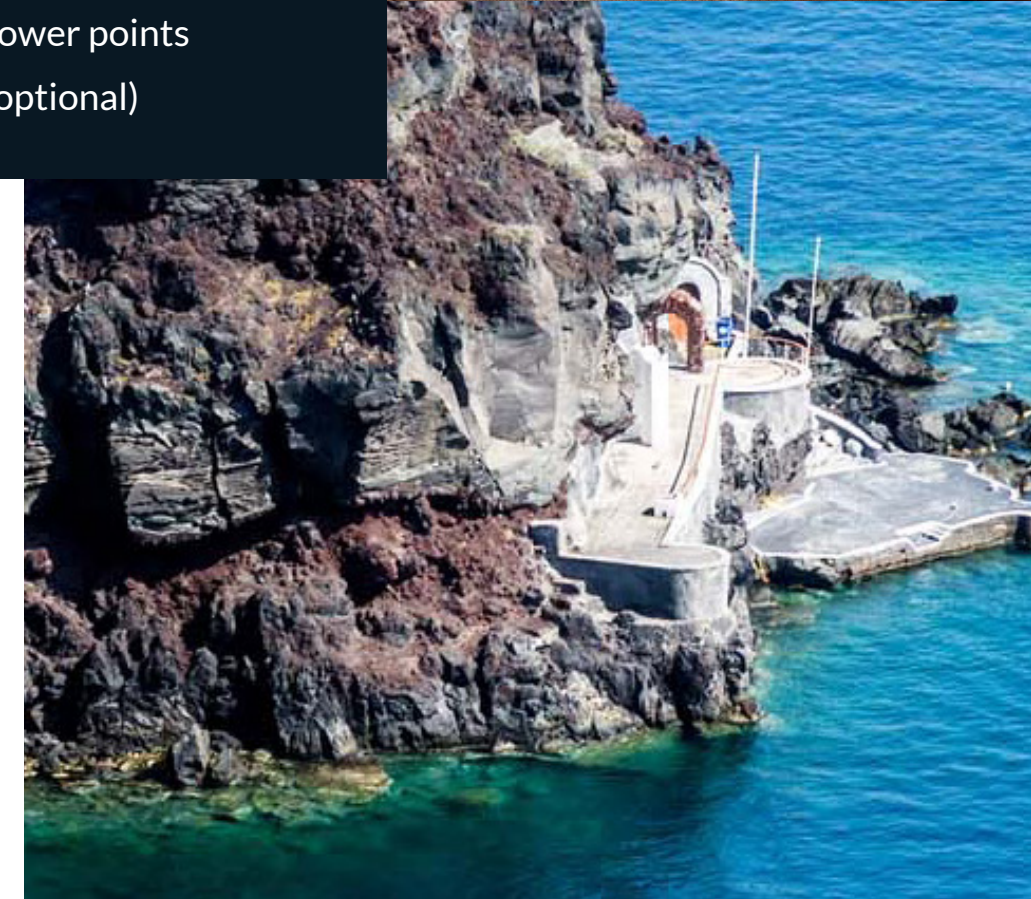

5-CABIN LAYOUT

The 5-cabin layout offers 4 double en-suite cabins of equal size featuring open-ended double berths with reading lights and air conditioning. The 5th cabin will be a crew cabin, with a dedicated head for crew.

DOUBLE EN-SUITE CABIN

FEATURES:

- Open-ended double berth with reading light
- Foam mattress and headboard
- Air conditioning
- Dressing area with shelving and full-length hanging cupboards
- Mirror and power points
- Electric fan (optional)

BRINGING THE DREAM TO LIFE

YEARNING TO GO FURTHER, FASTER?

Since the very beginning, we've been working closely with clients to accommodate their preferences, encouraging them to visit us during the manufacturing process.

Your yacht will be built from scratch at our world-class shipyard in Knysna, a historic coastal town on South Africa's lush Garden Route. In a safe, controlled environment, it will be carefully constructed by our team of highly skilled, experienced craftsmen.

Hallmarks of our manufacturing process are the use of top-quality materials, superior workmanship, exceptional skill and the utmost attention to detail.

Our clients' peace of mind is incredibly important to us. After the launch, we offer new owners a 7-day introduction/orientation period, to become familiar with the various systems and general boat handling. We want them to feel safe and confident when sailing from Knysna, South Africa..
