Description

SELLER IS MOTIVATED - BRING OFFERS AND OWN TODAY

This Classic Beauty is fully restored and updated with so many extras, making her a fantastic live aboard or long-range cruiser. The current owner's plans of cruising the Caribbean have changed and she must be sold.

She is unique in that she has no lower helm station, making a very spacious salon with entertainment center. She has a beautiful custom flybridge hard top with LED lighting on the fully enclosed and dry flybridge deck with extra seating.

This is a 2 cabin layout with 2 heads making her ideal for live aboard and maximizing the interior space.

She has had all new plumbing installed, an all Pex system with valve manifolds. Her 3 air conditioning/ heat systems will cool you down quickly. New floors and brand new Berber carpet in the huge Master Cabin that has been completely refit. The newly refit master head is huge and has a sit down or stretch out shower. She has all new appliances and new batteries.

The large fishing cockpit with a tuna door provides a real fishing platform and a large enclosed aft deck for entertaining or casual dining with wet bar. She has very low engine hours too.

Don't wait schedule a showing now!

accommodations

Boarding from the full-sized fishing cockpit you will notice a set of engine controls for backing down and a tuna door. Going up 3 steps you will enter the large enclosed aft deck where there is a vanity cabinet with wet bar and sink and a new U-Line icemaker.

There are 2 wing doors that go to the side decks leading to the spacious foredeck. From the aft deck there is a double door to enter the salon. The side decks each have a sliding door to enter the salon as well. There is a ladder up to the Flybridge with 2 Stidd captains' chairs, a large console and a forward-facing bench seat with cushions and a full enclosure. Aft of the fly bridge is the dinghy deck with a power davit by Marquipt and dinghy chocks.

Entering the salon, you will notice she is much larger than most Hatteras 58s, as she has no lower helm. This creates room for a larger entertainment center and space to stretch out on the sofas, with a 42 in. digital TV and a Bose sound bar. There is storage and an air conditioning system in the forward section of the salon, with a liquor cabinet and more storage cabinets in the aft section of the salon. There are 2 electric reclining leather sofas. These are high quality white leather sofas in excellent condition and new custom-made wooden blinds that provide privacy and natural sunlight. The lighting throughout the boat has been upgraded to 50 LED lights.

Going down the curved stairs to the galley level you will notice the 4-person dinette with storage. The Galley has beautiful new laminate flooring. There is a large household type stainless-steel Fisher-Paykel refrigerator/freezer, a 2-bay sink with new faucet, a new stainless-steel Bosch dish washer, a new stainless-steel microwave and air fryer oven. The cooktop was replaced with a new ceramic induction unit.

There is a custom-made large spice rack and ample cabinets for galley-ware. Going forward, you enter the V-berth area. To starboard is a new over and under Splendide washer and dryer that is large enough to wash a queen-sized quilt. Forward of the laundry station are the full-sized V-berth bunks with brand-new mattresses. On the port side is a head with all new plumbing, fixtures and shower. Going aft, there is a hallway with new laminate flooring and large engine rooms to port and starboard. Entering the master suite, you will see a large row of oversized hanging lockers and drawers to port. The Queen-sized bed is on a pedestal and has a new Nectar (brand) (never slept on) medium firm memory-foam mattress.

There are many drawers and cabinets on either side of the fore and aft facing bed with a double desk for computers and printers, making it perfect for home office needs. The Master stateroom has been re-fit with new teak trim and custom port light lenses, as well as new custom wooden blinds.

The master suite has its own air conditioning and heat. The master head has 3 rooms and a closet as well as linen and storage cabinets. A separate head toilet room, a large vanity and sink with medicine cabinets, and a very large shower with a bench seat and all new plumbing fixtures and piping.

Other

This Hatteras has: A large windlass on a bow pulpit with a large Claw anchor and chain rode. Spare anchor, chain and line rode. Five electric bilge pumps. A built-in engine oil change system with manifold. 32- volt battery bank installed January 2022. Under sink water filter. Dyson vacuum cleaner and 2 wet vacs.
