The well appointed salon is enhanced with full wrap around windows to blanket the space with beautiful natural light. In the evenings the salon is accented with overhead LED lighting creating a soft ambiance. There's two settees with ample storage under the seating, light grey carpeting and laminate flooring. The electric hideaway TV is positioned behind the starboard settee for easy viewing and storage. The navigation station forward starboard is integrated into the salon. You can run and dock the vessel from here with the Internal Steering Station, engine controls, steering wheel, throttles, p70R Auto Pilot, Ray73 VHF, and AXIOM12 MFD.

Helm is integrated into the Flybridge with full unobstructed 360 degree clear view for navigation and docking. In addition to the VHF, Yanmar engine controls, bow thruster controls, throttle controls, and Fusion radio controls on the helm console, it includes a p70 colour autopilot display and 2 x AXIOM XL16 MFD with WiFi. The flybridge is also upgraded with a custom isinglass full enclosure so you can run from the helm in inclement weather.
