Description

With a major price reduction, this incredible vessel is priced at a bargain! Lahaina star is an incredibly well outfitted Outremer 5X and is hull #27. This vessel has been built with many of the performance options offered by the factory such as:

- Optimized foam core
- Rotating carbon mast
- Longer daggerboards
- Carbon rudder tubes
- Carbon arms and shafts
- Full North sails 3Di inventory.

As an avid racer and performance sailor the previous and original owner invested many hours optimizing the performance of this 3 cabin, owners version Outremer 5X.

Additional information available on request.
