Description

Welcome aboard KAIMANA, a beautiful and well-maintained 3-cabin Fountaine Pajot Lucia 40, currently cruising the Caribbean with her amazing owners. When Fountaine Pajot challenged the Berret-Racoupeau design team to create a contemporary cruising catamaran that brought deck space and beam from the larger cats to a smaller entry-level catamaran, it resulted in one of the most popular cruising catamarans ever produced by Fountaine Pajot. From the sleek forward-sloping coachroof deserves to the spacious cockpit and huge saloon windows, this Lucia 40 appeals not only to recreational cruisers, but charter operators as well.

This year Kaimana sailed from Key West through the Bahamas down to the Virgin Islands - moving forward she'll be sailing to Guadeloupe, Dominica, Martinique, and finally landing in Grenada by June 2024. KAIMANA is available to view by appointment in ANY of these ports along the way.

Here is a glimpse into some of KAIMANA's most impressive features:

- NEW (2024) 1640W solar on a custom arch with integrated Starlink antenna
- NEW (2023-2024) B&G Zeus 12 Chart Plotters (x2) at the helm and nav desk
