Description

"Kinetic" is a customized KC62 Catamaran, combining comfortable spacious living, with power and grace. Set up for short handed sailing, this is a boat that offers performance, with supreme comfort. The ideal bluewater performance cruiser for the sailor who knows what he is looking for - whether that be coastal or worldwide sailing, cruising, racing, entertaining - or simply relaxing at anchor.

Designed by Simonis Voogd Naval Architects, "Kinetic" was designed with a single goal in mind - to create a fast, world-class, carbon performance cruiser that offered more. A roomy 3 cabin arrangement, with a dedicated office. A spacious main salon, with panoramic 360-degree views. A forward sailing cockpit, that doubles as a 3rd leisure zone. And an aft deck, dedicated to leisure - provide more luxury, more space, more performance, and more sailing and cruising enjoyment.

Built by Kinetic Catamarans in South Africa, "Kinetic" was commissioned by the owner of the yard, for his own use. A showcase for this new design, state-of-the-art infused carbon fiber construction make this a rugged, yet light vessel. And with no expense spared in interior fit, general finish, rig, equipment and systems, the result is a boat that is truly a showcase.

Launched in 2019, "Kinetic" has sailed much of the world's oceans, providing validation of the general concept, and proof of the quality of her design and build. With miles under her keel, supported by a consistent schedule of maintenance, upgrades and improvements, "Kinetic" is today a proven, thoroughly vetted vessel, in turnkey condition, ready for her next owner, to continue her adventures.

Information & Features

2022 Yanmar 4JH80 (Engine 1)

Type:	Inboard	Drive Type:	Sail Drive

Hours:	720		

2022 Yanmar 4JH80 (Engine 2)

Type:	Inboard	Power:	80 hp
Fuel Type:	Diesel		
Hours:	710		

Dimensions

LOA:	62 ft 10 in	Max Draft:	10 ft 2 in
LWL:	60 ft 6 in		
Beam:	28 ft 10 in		

Weights

Dry Weight:	43,000 lb
Displacement:	51,700 lb

Accommodations

Guest Cabins: **3**

Guest Heads: **3**

Other

Hull Shape: **Catamaran**

Flag Of Registry: **United States**

Designer: **Simonis Voogd Yacht Design**

Layout

A 3 cabin layout: with Forward cockpit - Owner's hull to Port, with ensuite cabin, forward, and office, aft - 2 Guest cabins, ensuite, to Starboard, one forward, one aft.

Forward Cockpit

- ° Seating for 5 people
- ° Large drains with backsplash covers
- ° Flexiteak decking
- ° 2 x lockers
- ° Rope bins
- ° Recessed foot winch switches
- ° Cockpit courtesy lights
- ° Seat cushions
- ° Cockpit speakers

Salon & Galley

- ° 2 x companionway doors into forward cockpit
- ° Large Webasto sunroof
- ° 2 drawer Vitrefrigo fridge / freezer unit
- ° Large bin freezer
- ° Miele electric oven and HOB
- ° Double sink with dual faucet (tap & filtered water)
- ° Countertop accessed bin locker for appliances and provisions
- ° 2 x condiment lockers
- ° Through counter access to trash & recycling locker
- ° Liquor locker
- ° Salon table with 3 carbon ottomans and seating for 8
- ° High CRI dimmable LED overhead lighting
- ° LED courtesy lighting (provides lighting for night sailing)
- ° 2 x Coachroof hatches
- ° Dometic air conditioner with touch screen control
- ° Seat cushions (new 2024)
- ° Interior forward helm
- ° Nav station
- ° Humanscale nav station chair on rotating arm

Aft Cockpit

- ° Cockpit table with flip-up extension
- ° Electric BBQ and drinks fridge integrated into aft lazarettes
- ° Plentiful seating
- ° Dimmable LED overhead lighting
- ° Flexiteak decking
- ° 2 x Aft tiller stations
- ° 2 x Hot & cold showers
- ° Cockpit speakers
- ° Seat cushions

- 2 x Life raft lockers
- Large couch doubling as rod, speargun, flagpole & broom locker
- Carbon flagpole

Aft Steps:

- LED courtesy lights
- Underwater lights mounted under bridedeck
- Custom carbon steps for side boarding at dock
- Flexiteak decking
- Retractable carbon swim ladder integrated into port aft step
- 6 x Rod holders
- Custom boat board
- Fish bin / live bait tank under starboard aft step

Hull Cabins

- Queen size beds
- Dometic air conditioners with touchscreen control in each cabin
- Dimmable LED overhead lighting and reading lights
- LED courtesy lights

Bathrooms / Ensuites

- Tecma carbon toilets
- Milled porcelain-ceramic countertops
- Dimmable LED overhead lighting
- Medicine cabinets in forward bathrooms
- Finishings and fixtures of choice

Interior Furniture, Fittings & Finishes

- Hull and ceiling surfaces faired and sprayed for clean open finish (paneled finish optional)
- Carbon composite furniture with hardwood inserts for fastener attachments
- Thin sintered stone countertops with carbon backing
- Panel ends finished with hardwood edges to protect veneers
- Dinoc vinyl wood finish on salon furniture with timber veneers in hull cabins
- Quality stainless steel latches, catches, slides, and hinges
- Faux timber flooring
- New salon seat cushions and delivery covers

Construction - Hull - Beams - Appendages

Hull

- ° Built to CE Category-A standards
- ° Epoxy vacuum infused, full carbon fiber and Corecell construction
- ° Interior and exterior visible surfaces fully faired and painted
- ° Exterior hull finished with Awlcraft 2000 Matterhorn White

Crossbeam, Longerons & Trampoline

- ° Southern Spars carbon cross beam and longeron
- ° EC6 carbon martingale
- ° 3:1 tack lines for staysail, reacher and masthead spinnaker with constrictors
- ° Spectra trampoline and sprit nets
- ° Lopo navigation lights

Rudders & Steering

- ° 3 helm stations ? forward helm inside main salon and 2 aft helm stations with consoles
- ° Carbon helm wheel in forward helm, 2 x removable tillers for the aft helms
- ° Carbon rudders and rudder stocks
- ° 2 x Jeffa auto-pilot drives

Centerboards

- ° High aspect ratio carbon centerboards with impact safety fuses
- ° 700w Antal electric line driver with auto-stop sensors and position display

Rig

- ° Mast - Southern Spars carbon mast (76.4ft) with single spreader diamond° EC6 cap shrouds and diamond (5 year service completed 2024)
- ° Integrated internal mast jack
- ° Boom: Hall Spars, Oceanfurl furling carbon boom (new 2022)
- ° Hydraulic push vang for setting boom furling angle (new 2022)
- ° Rig Pro shroud / chainplate strops
- ° Halyard locks for masthead spinnaker, J0 / FRO, and staysail
- ° 2:1 purchase with ceramic jammer for mainsail halyard
- ° Jammers for J0 inhauls
- ° Constrictors for halyards, jib sheet and topping lift
- ° Boom preventer and back up manual mainsheet system
- ° Under spreader FLIR camera
- ° Spreader mounted B&G radar
- ° LED spreader downlights and uplights
- ° Masthead light
- ° Steaming light

Winches

- ° 2 x Harken 80 primary electric winches, 1 x Harken 70 electric pit winch ° Harken winch handles

Main Sheet

- ° Main Sheet track: Harken coach roof mounted curved traveler track and cart
- ° Hydraulic 2:1 mainsheet with remote Central Coast Hydraulics power pack (new 2022)
- ° Electric traveler with 1,000W Antal line driver
- ° Push button controls

Jib, Reacher & Spinnaker

- ° Jib Furler: Reckmann electric jib furler with carbon foil
- ° Jib Track: Harken self-tacking jib track with adjustable end stops
- ° Provision on coachroof for sheeting J0/genoa with inhaul
- ° Continuous furlers for staysail, J0/genoa/FRO, and spinnaker)

Sail Plan

Sails (North Sails Package)

- ° Square top mainsail - 3Di (new 2023) 1,130 sq ft
- ° Self-tacking furling jib - 3Di 724 sq ft
- ° Furling J0/genoa - 3Di 1,421 sq ft
- ° Fractional Code 0 - 3Di 1,647 sq ft
- ° A2 furling spinnaker 3,402 sq ft
- ° A3 furling spinnaker (not used) 2,616 sq ft
- ° Storm staysail ? 3Di 278 sq ft
- ° C-Tech spectra wrapped carbon battens ° Mainsail cover

Deck

Deck

- ° 6 x Composite stanchions with triple dynema covered spectra lifelines on each hull ° 8 x Seasmart drop down flush cleats - 6 outboard and 2 on aft steps with chafe plates
- ° Custom fold out steps to coach roof
- ° 2 x forepeak lockers
- ° 5 x foredeck lockers (plus anchor locker)
- ° Carbon chafe plates

Hatches & Portlights

- ° 8 x Lewmar #60 flush hatches
- ° Portlight in each forward cabin opening into forward cockpit
- ° Portlight in each forward inboard hull
- ° 2 x Opening hatches in rear of each aft cabin
- ° OceanAir blinds on all hull windows and hatches and forward cabin portlights

Windows & Sliding Door

- ° Light weight, tinted, and chemically strengthened salon and hull windows
- ° Hard anodized companionway sliding doors to aft cockpit
- ° 2 x Hard anodized doors to forward cockpit
- ° 2 x Large, hard anodized sliding windows to aft cockpit
- ° Large electric opening Webasto sunroof in saloon

Engines

Engines

- ° 2 x 4JH80 Hp Yanmar diesels with Yanmar SD60 sail drives (new 2022 with 700 hours approx.)
- ° Engine controls at forward helm station and in aft lazarette
- ° VC10 engine management and monitoring system
- ° 2 x Mastervolt 120A 24V DC alternators
- ° 2 x Exhaust systems
- ° 2 x Exhaust anti-siphon valves
- ° 2 x Exhaust blowers
- ° 2 x 12v start batteries, cables & connection
- ° Battery parallel switch
- ° Vibration dampening sound insulation

Propellers

- ° 2 x 3 Flexofold counter rotating folding propellers

Fuel System

- ° 2 x 680 liter / 179 US gallon integrated tanks with baffles, inspection hatch & fuel cutoff
- ° 2 x deck fillers
- ° Reverso fuel cleaning and transfer system
- ° Reverso oil change pump
- ° 2 Additional Racor fuel pre-filters for each engine and generator
- ° Fuel manifold
- ° Tank level monitoring via ultra-sonic sensors and C-Zone

Plumbing

Fresh Water System

- ° 2 x 780 liter / 206 US gallon integrated tanks c/w baffles & inspection hatches
- ° 2 x Deck fillers
- ° 2 x Gianneschi fresh water pumps, with Accumulator Tanks
- ° Tank level monitoring via C-Zone
- ° Tank transfer capability
- ° 2 x 50 liter / 13 US gal 110V AC calorifiers
- ° 1 x Spectra water maker 24V DC 2,650 Liters / 700 US Gallons per day
- ° 2 x hot water circulation pumps
- ° Drinking water filtration system with galley faucet
- ° Fresh water foot pump in galley

Bilge Pumps

- ° 1 small pump and 1 large pump with high water alarm in each main bilge
- ° 1 small pump and 1 large pump with high water alarm in each engine room
- ° Portable 24V crash pump
- ° C-Zone monitoring and manual override for all pumps

Black & Grey Water Systems

- ° Sump with sump pump in each forward shower
- ° 2 x 420 liter / 110 US gal integrated grey water tanks
- ° 2 x 350 liter & 1 x 250 liter (250 US gal total) integrated black water tanks
- ° Each tank is C-Zone monitored with ultrasonic sensor and solenoid operated outlet

Deck Wash

- ° Saltwater pump with quick connect couplers forward and aft
- ° Fresh water pump with quick connect couplers forward and aft

Electric

Electrical Specifications (110 Or 220V AC Systems Available)

- ° 220vAC 50A Shore power cable and dual 50A receptacles on stern; 1 port, 1 starboard
- ° Fisher Panda 24V DC AGTPM6000 PMS 6 KVA Generator (2019 - 329 hrs)
- ° 24vDC Victron lithium-iron phosphate battery bank (6 batteries / 30kWh)
- ° 2 x Victron MultiPlus Charger/ 220V Inverters (24V / 5000VA / 120amp)
- ° 1 x Victron MultiPlus Charger/ 110V Inverter (24 volt / 3000VA / 70amp)
- ° 2 x Victron Skylla-i shore power chargers (24volt / 100amp)
- ° 1 x Victron Lynx Battery Management System
- ° 1 x 230V A/C Distribution Board
- ° 1 x 110V A/C Distribution Board
- ° 8 X Coach roof mounted solar panels
- ° 2 x SmartSolar charge controllers MPPT 150/100 Tr
- ° 220v outlets in hulls, 220v and 110v outlets in salon
- ° 2 X 4KW 220VAC Mastervolt Inverters
- ° 3 X 100A 24VDC Battery Chargers
- ° C-Zone distributed power, control & monitoring system
- ° C-Zone 10" display
- ° USBs for cell phone charging in main salon and each cabin
- ° Fireboy fire suppression system
- ° Lopo navigation lights

Navigation & Communications

- ° B&G Zeus glass bridge installation
- ° B&G H5000 course computer
- ° B&G Dual independent autopilots
- ° B&G GPS
- ° B&G Halo radar
- ° B&G Fluxgate compass
- ° B&G Motion sensor
- ° B&G Displays at each helm station and at nav station
- ° B&G VHF with AIS
- ° Water speed sensor in both hulls
- ° Depth and water temperature sensor in both hulls
- ° B&G dual mast head units
- ° Ritchie 6" backlit compass ° Dual Autopilots
- ° Starlink internet with flat high performance marine antenna

Entertainment System

- ° Mirage Autonomic music server and multi zone amplifier(s) with DAC and lossless bluetooth audio streaming
- ° Hard drive for music library
- ° Quality B&W and Audio Monitor Speakers - 2 x forward cockpit - 2 x aft cockpit - 2 x salon plus
- ° Subwoofer in the salon

Anchorage and Docking

- Maxpower 250 drop down bow thruster in port bow
- Anchoring and bridle attachment from forward cockpit
- Bridle with snubber
- Maxwell flush mount windlass with remote control
- Dockmate joystick boat positioning and docking control system, with rear facing engine and bow thruster controls in aft cockpit station, for ease of docking
- 1 x 40kg Rocna Vulcan anchor, 100m 10mm, G4 chain
- 1 x 10kg Fortress anchor, 10m 8mm chain & plus 75m x 18mm anchor rode
- 16mm mooring warps; 4 x 9m & 2 x 16m
- Inflatable fenders with cloth covers

Safety

- Lightning diffuser system
- Removable stanchion and life-lines for aft steps
- Goiot escape hatches under gangway steps
- 2 x Liferaft lockers integrated into aft bridge deck
- 2 x 4 Man Ocean ISO Liferafts (new 2022)

Davits & Tender

Davits & Tender

- Integrated carbon davits with electric winch
- 3.6M meter lightweight carbon OC Tender with 15hp Yamaha outboard (new 2023) - included as equipment.

Awnings

- Forward cockpit awning with forward stanchions
- Exterior salon window covers
- Aft cockpit side awnings
- Aft cockpit rear awning
- Moonroof cover
- Salon hatch covers
- Boom covers
- Winch covers

Steering System

Joystick Control
