Description

If you're looking for a center console that turns heads at the dock, smooths out offshore chop, and makes every weekend feel like an escape, look no further than DOBBY, our 2023 Scout 400 LXF. Whether you are stepping up from a 36-footer to quench your thirst for more space and comfort or scaling back from a 50 to 60-foot sportfish and looking for more simplicity, DOBBY delivers.

Powered by twin Mercury 600HP V12 outboards with joystick control and Skyhook GPS anchoring, she combines cutting-edge performance with intuitive handling with a range of up to 450 nm at cruising speed. While at anchor, DOBBY's SeaKeeper 5 zero-speed stabilizer keeps roll to a minimum, offering the kind of stability that keeps everyone comfortable, even when conditions aren't.

From the hydraulic beach platform to the convertible mezzanine lounge, electric sunshade, integrated grill, and expansive helm, DOBBY is built for entertaining, fishing, and family adventures with a layout that rivals every model in her class.

Currently located in Key West, DOBBY is available for private showings by appointment.

Below are just a few of the DOBBY's most notable features:

- Twin Mercury 600 HP V12 Verado Outboard Motors
- SeaKeeper 5 Gyro stabilizer system
- Mercury Joystick + Skyhook GPS-based digital anchoring system
- Upgraded Garmin Navigation & Electronics
- 12,000 BTU Air Conditioning
