Description

US Import Duty Paid

Special Boat Show Price: \$575,000 — Through Annapolis Only
(Asking price will revert to \$595,000 after the show)

KAIROS is now offered at a limited-time show special of \$575,000, valid only through the end of the Annapolis Boat Show. Don't miss this opportunity to secure one of the most extensively upgraded Voyage 580s available, at exceptional value, before she moves on. KAIROS is a rare and exceptional example of the highly sought-after Voyage 580 catamaran, offering true bluewater capability paired with remarkable space, comfort, and versatility. Designed for luxury crewed charter or long-distance family cruising, she features the desirable 6-cabin, 6-head layout with a voluminous bridge deck salon, expansive galley, large cockpit, and robust sailing systems. Few catamarans in this size and price range can match her combination of layout, performance, and recent upgrades. Since 2023, KAIROS has undergone an extensive and carefully planned refit at the hands of her knowledgeable owners, transforming her from a lightly neglected vessel into what is arguably one of the finest Voyage 58s afloat today. No expense has been spared in updating her propulsion, energy systems, rigging, electronics, and comfort amenities to create a modern cruising platform ready for serious bluewater voyaging or high-end charter service. Her layout, size, and comfort are nearly impossible to match at this price point. KAIROS is truly a must-see catamaran for any buyer seeking value, capability, and modern equipment in a proven design. Just some of the many highlights on this vessel include:

- New 2023 Yanmar SD-60 saildrives
- New 2022 Zodiac tender with 2019 Tohatsu outboard
- New 24V lithium battery bank (920Ah total) with MG BMS & monitor
- 1245W Maxeon solar array with Victron 150/70 controller (2023)
