Step aboard Valentina, a beautifully maintained Lagoon catamaran, lightly chartered over the past two years by her non-smoking live-aboard owners. This 62' vessel, thoughtfully refit in 2021, 2023, and 2024, combines comfort with high performance ideal for leisure cruising, profitable charters, or offshore voyages.

Valentina features a down-galley, owners cabin layout with four spacious cabins: a master suite with an independent battery-powered A/C unit, two VIP queen cabins, and a cozy double bunk cabin, along with separate crew quarters. Each has a private ensuite with an electric freshwater toilet and a separate shower. Air-conditioned throughout, Valentina offers an ideal space for families or groups, managed comfortably by a couple or crew.

Multiple refrigerators, freezers, and icemakers ensure fresh provisions for extended stays in remote anchorages. Her top-of-the-line Garmin electronics were added in 2021, and a custom hardtop with CrystalClear enclosure enhances comfort on the flybridge.

Recent upgrades include new solar, lithium batteries, a new watermaker, all-new appliances, a refit galley, and new cabin windows, hatches, and shades!

Valentina's ample social spaces include a spacious salon, alfresco dining area, cushioned flybridge seating, forward trampolines, and a peaceful lower deck lounge.
