Description

Make your dream life a reality aboard Xclip, an immaculately maintained 2015 Fountaine Pajot Saba 50 located in the sheltered waters of Rio Dulce, Guatemala. Privately owned by just two meticulous owners and never chartered, Xclip offers a rare opportunity to step aboard a fully equipped, premium bluewater catamaran designed for off-grid living and global adventure.

Exceptional Layout & Livability

This sought-after Maestro (owner's) version features a luxurious starboard-side owner's suite and three spacious double guest cabins, each with its own en-suite head. A cleverly converted starboard forepeak adds an additional child's cabin, making this yacht ideal for family cruising or liveaboard lifestyles.

Performance Meets Comfort

The Saba 50 is known for its elegant balance of performance and comfort. Light and responsive under sail, Xclip is a proven ocean cruiser equipped with upgraded 75HP Volvo Penta engines (just over 2,000 hours each), a powerful 11kVA generator (approx. 1,000 hours), and 1,500W of solar for true energy independence.

Smart Design for Entertaining & Relaxing

Enjoy multiple social and relaxation zones, including:

- A stunning 12.4m² upper lounge deck with sunbeds and chaise lounge
- Expansive forward sunbathing area
- Oversized cockpit with bar fridge/freezer, seating for 12, and extended hardtop
- Airy saloon with panoramic windows, skylights, and seamless indoor-outdoor flow
- Fully equipped L-shaped galley with island, featuring Bosch dishwasher, Miele washer/dryer, large fridge/freezer capacity, and abundant storage

Sail Handling & Safety

The raised helm station offers full 360-degree visibility with bimini protection and ergonomic sail controls. Sailing short-handed is effortless thanks to electric winches and smart line management. A full rigging inspection was completed in November 2024 for insurance purposes, and the vessel has never been in a named storm.

Key Systems & Highlights

- Air conditioning throughout cabins and saloon
- 180L/hr watermaker and 900L water tank
- Never chartered and always privately maintained

Whether you're seeking a luxurious liveaboard, a capable world cruiser, or the perfect family escape platform, Xclip stands out as a turnkey catamaran with outstanding value, comfort, and pedigree.
