Description

BRING OFFERS. Boat must be sold. AS IS, WHERE IS.

Mariah is ideal as:

A circumnavigator

An elegant floating cottage

A creative charter yacht

MARIAH is a well known Catana. The boat represents the best in elegance, while also being a great sailing boat. Catana was a force in the catamaran industry from the mid 1990's until about 2010. Mariah was built at the peak of Catana's prominence. The boat has amazing internal joinery, she really is a "yachty" catamaran.

Main Description

This vessel is available for virtual tour via Skype, Zoom or WhatsApp. Please contact listing agent to schedule!

MARIAH is an elegant, powerful sailing, meticulously refit catamaran. In the early 2000's, Catana was the world leader in performance luxury cats, combining superior interior comforts with uncompromised sailing agility.

MARIAH is an elegant yacht. She is priced aggressively, and seriously for sale.

Additional description and history

In 2003, the 582 was the flagship yacht offered by Catana. MARIAH is in near perfect condition inside, and very good to excellent condition outside, with extensive refits and upgrades.

MARIAH is a perfect yacht for many people, safe, strong and beautiful. The boat features a standard 3 cabin owner's version with an incredible amount of space for the owner's cabin, and separate companionways for the guest side. The boat also has a captain's quarters, and crew quarters forward.

If you are looking for the perfect comfortable, fast, real sailing boat for an around the world, or business, take a look at Mariah. She is strong, safe, and very luxurious.

These days, there are very few luxury cats that sail at all. Most are disguised motor yachts. MARIAH is an exception. Even for a boat built in 2003, she is still gorgeous, with impeccable interior, and refreshed sailing gear. Have a look at this great yacht. She is a reminder to the cat industry that comfort and performance don't have to be mutually exclusive.
