2017 Fountaine Pajot Helia 44 Evolution Maestro | U.S. DUTY PAID & FULLY UPGRADED

Turnkey luxury catamaran with the sought-after owner's layout and an extensive list of modern off-grid cruising enhancements

Welcome aboard **Boldly Go** – a rare **2017 Fountaine Pajot Helia 44 Evolution Maestro** – privately owned since new and meticulously maintained by her first owners with an open checkbook.

Introduced as a refined version of one of Fountaine Pajot's most successful cruising catamarans, the Evolution model features redesigned hull portholes for increased natural light, a repositioned mast for improved panoramic views from the saloon, and a contemporary open-plan galley connecting seamlessly with the cockpit. The updated helm station offers excellent visibility for comfortable short-handed sailing, while the coachroof sun lounge creates additional outdoor living space.
