## Description

US IMPORTED DUTY PAID CRUISE READY 2019 L43PC AVAILABLE IN FORT LAUDERDALE

Experience the perfect blend of performance, stability, and comfort with this stunning 2019 Leopard 43 Power Catamaran. Currently located in Fort Lauderdale and US Duty Paid, this vessel is equipped and ready to begin its next chapter in the Bahamas, the Caribbean or cruising the beautiful US Coast.

The Leopard 43PC is celebrated for its ease of handling and "home-on-the-water" feel.

### Key Highlights

**Speed & Efficiency:** Powered to maintain a comfortable 16-knot cruise, allowing you to reach your island destinations quickly without sacrificing fuel economy.

**Shallow Draft:** With a draft of only 3' 1", this catamaran is a "Bahamas Specialist," granting you access to secluded coves and skinny-water anchorages that most yachts of this size simply cannot reach.

**Outdoor Living:** The signature Leopard forward cockpit offers seamless airflow and a unique social space, while the expansive flybridge provides 360-degree views and an ideal spot for al fresco dining.

**Turn-Key Status:** Professionally maintained and "Cruise Ready," saving you the months of commissioning and outfitting typically required for offshore travel.

### Why the Leopard 43PC?

Built by Robertson & Caine, the Leopard 43PC features a stepped hull design that improves mid-range speed and volume. Inside, you'll find a modern, light-filled interior with a large galley, comfortable lounging areas, and the rugged reliability the Leopard brand is famous for.

Don't wait for the next boat show—this imported, duty-paid 43PC is available for immediate viewing and survey. Tender Included as Equipment.
