Description

When a shipyard doesn't just design a boat, but listens, adapts, and evolves alongside the people actually living the cruising lifestyle, you get the X5 Plus by Xquisite.

APRES-SKI is a 2021 Xquisite X5 Plus 3-cabin Owner's Version that immediately stands apart from other 50-foot catamarans in this space. Never chartered and fully turnkey, she has been outfitted with intention, shaped by real-world cruising and a focus on long-term ownership rather than short-term use. The result is a platform that feels composed, capable, and ready for living aboard, entertaining, and working remotely without compromising the typical creature comforts you see in typical production catamarans.

The pedigree behind the X5 Plus tells the story. Building on the award-winning X5 platform, the shipyard used the X5 Plus as an opportunity to refine the original design through direct owner feedback and new technology, ultimately earning Boat of the Year and Best Cruising Catamaran in 2022, along with a Best Boat nomination from SAIL Magazine. Onboard, that evolution shows up in the details, the systems, and the overall experience.

With 2,160 watts of solar and a brand new 24V 1,000Ah lithium battery bank, APRES-SKI is built for true off-grid cruising. Stay longer in the places you actually want to be, without chasing marinas or managing power. When you do plug in, the system seamlessly accepts both U.S. and European shore power, with universal outlets throughout the boat.

Underway or at anchor, the systems stay in the background, the spaces feel open and livable, and the boat delivers the kind of confidence that lets you focus on the experience instead of the logistics.

Conveniently located just 10 minutes from the Fort Lauderdale International Airport, APRES-SKI is available for showings by appointment.

Below are just a few of APRES-SKI most notable features:

- **U.S. Import Duties Paid**
- Fully integrated Newport Spectra water maker
- 2,160W of integrated rigid solar panels
- NEW (2026) 1,000Ah (24V) lithium battery bank
- NEW (2026) Full suite of Garmin electronics including

This is a preliminary listing. A full list of specifications and features will be updated by May 10, 2026. Please contact Scott Mayer at scott@justcatamarans.net for additional details.
