## Description

KARUNA, a 3-cabin/3-head + full crew quarters 2024 LEEN 72 power trimaran, is far more than a standard production yacht. She represents a highly specified, semi-custom hybrid platform shaped by an exceptional level of owner involvement, technical oversight, and continuous refinement.

Powered by a Cummins QSL9 400 HP main engine, twin 20 kW Bellmarine electric motors, and a 36 kWh lithium battery bank, KARUNA delivers a rare blend of long-range efficiency, quiet operation, and confident performance. Cruising comfortably at 10 knots while consuming approximately 5 gallons per hour, she offers true passage making capability with remarkably low operating costs and the capability of sailing over 3,500nm in the right conditions.

For buyers considering traditional expedition yachts such as Nordhavn and similar long-range platforms, KARUNA presents a compelling alternative that delivers comparable or better offshore capability, but with significantly greater fuel efficiency, enhanced stability from her trimaran platform, and a level of interior volume and livability that feels notably more open and modern.

With the presence of a large yacht and the practicality of a shallow-draft platform, KARUNA is equally at home exploring the Bahamas and the Caribbean as she is crossing oceans. Exceptionally maneuverable and easily handled by an owner couple, KARUNA offers the freedom of long-range cruising and the interior volume of a larger yacht, yet without the need for permanent crew.

Professionally maintained and continuously improved since new, KARUNA stands as one of the most distinctive and capable long-range cruising platforms available today.

For those seeking a more personal perspective, a note from KARUNA's current owner is included at the end of this listing.

Below are just a few of KARUNA's most impressive features:

- **U.S. Importation Duties/Tariffs Paid**
- 3,500+ nm range at 7-8 kts.
- 36 kWh Mastervolt lithium battery bank w/448W Solar
- Hybrid Propulsion: 400HP Diesel + 2 x 20kW Electric Motors
- Complete Garmin Navigation Suite
- New bottom paint applied and complete exterior detail February 2026

KARUNA is conveniently located just 10 minutes from the Key West International Airport, or enjoy a beautiful drive from Miami through the beautiful Florida Keys. She is available for showings by appointment.

See below for additional details...

### **ELECTRICAL:**

- 110V + 220V AC power grid w/integrated USB and charging outlets throughout the vessel
- Cummins Model 22.5MDKDT (8206A) 22kW Generator: 900 hours
- Mastervolt 36kWh Lithium Iron Phosphate house battery bank
- Mastervolt 40/50-C Automatic Battery Charges (x5)
- Mastervolt Ultra Mass Combi Ultra 48/3500-50 Inverter/Charger (x3)
- Mastervolt Chargemaster Plus 24/20-3 Automatic Battery Charger
- Victron MPPT 150 | 60 - Tr Solar Charge Controllers (x2)
- Victron Multiplus 48/2000/25 120V Inverter
- Victron 7000W Isolation Transformer

- C-Zone Touch 7 touchscreen color systems monitor (fully integrated switching)

#### **PROPULSION:**

- Cummins QSL9 400HP diesel engine on a straight shaft
- Bellmarine 20kW electric motors (x2) on a straight shaft

#### **COMFORT & GALLEY EQUIPMENT:**

- Reverse-cycle chilled water air conditioning w/thermostat in each cabin, saloon, and wheelhouse
- Webasto heating
- Dessalator 220V 160L/hour water maker
- **NEW (2026)** Bosch 13-place setting dishwasher Model SMV4HVX00G
- Siemens 8kg washing machine model WT45H001FR
- 65-inch TV in the saloon
- Fusion MS-SRX400 Bluetooth/WiFi marine stereo dedicated to the master cabin
- Fusion RA-770 Bluetooth/WiFi marine stereo in the saloon
- 65-inch Samsung LED television in the saloon
- Samsung Side-by-Side Smart Refrigerator Model RS6HDG883EB1
- Isotherm Stainless Refrigerator/Freezer in the galley Model DR130
- Isotherm 23 bottle wine cellar Model DIVIN023
- Isotherm Double Drawer Stainless Refrigerator/Freezer Model DR160
- Smeg Stainless Convection Oven Model SFP6301TVX
- 4-burner induction cooktop
- Autonomous A/C in crew quarters
- Underwater LED lighting
- Marinco searchlight on the flybridge
- Sunshades throughout the saloon, wheelhouse, and cabins
- Osculati stainless freshwater shower station on the stern
- 8kg Washing machine

#### **DECK & EXTERIOR:**

- Carbon fiber canopy posts for bimini on the flybridge
- Flybridge island galley with sink and stovetop
- Isotherm Refrigerator on the flybridge Model DR65NF
- 4 Benzoni flybridge seats
- Aft cockpit full roll-up Isinglass enclosure
- Aft cockpit chairs (x2)
- Flybridge exterior sofas with covers (x2)
- Flybridge exterior chairs (x2)

#### **NAVIGATION, ELECTRONICS:**

- Garmin GPSMAP 1623 16-inch chart plotters (x2) at the wheelhouse helm
- Garmin GPSMAP 1623 16-inch chart plotter at the flybridge helm
- Garmin Reactor 40 Autopilot
- Garmin GHC50 Autopilot Displays at wheelhouse and flybridge stations
- Garmin Fantom 24x Radar
- Garmin AIS 800
- Garmin GND10 Black box bridge
- Garmin Panoptix PS51 forward-looking sonar
- Garmin VHF 315i Marine Radio w/wired GHS11i handsets at wheelhouse and flybridge
- Garmin GC14 Marine Cameras (x2) in the engine room
- Garmin GC200 Marine IP Cameras (x4) throughout the vessel
- 4G/WiFi router w/antenna

- Starlink high performance satellite internet dish
- Dockmate remote control docking system
- 15kW Max Power Bow Thruster w/wheelhouse controls
- Sena Wireless Marine Headsets
- Standard Horizon HX210 handheld VHF radio (x2)

#### **TENDER:**

- Williams SportJet 435 with 130HP engine (un-registered)
- Hydraulic push-button + remote control tender garage in the stern

#### **GROUND TACKLE:**

- Ultra Stainless-Steel anchor w/260 feet (80 meters) of 16mm chain and Ultra Flip Swivel
- Galvanized hinged plow anchor w/260 feet (80 meters) of 16mm chain and stainless swivel
- Quick QNC CHC Chain Counter at the wheelhouse helm
- Lofrans Super Ercole Horizontal 24V 3500W Windlass

#### **SAFEY, REGULATORY, & MISCELLANEOUS:**

- Transocean 10-person Type 1 life raft
- Fire extinguishers in each cabin, saloon, galley
- Jim-Buoy Horseshoe Throw Buoy
- Plastimo Horseshoe Throw Buoy w/strobe
- Plastimo Storm 3 Life Jackets (x6)
- Spinlock inflatable life jackets (x12)
- EPIRB
- SOLAS Flare Kit
- US East Coast/Gulf of Mexico Cruising Charts
- Explorer charts for The Bahamas
- 2 sets of sheets and towels for each cabin (x3)
- 2 inflatable Stand-up Paddleboards
- 1 Floating deck
- 1 two-seat inflatable kayak

#### **RECENT UPGRADES AND NOTABLE ITEMS:**

- AWLGRIP painted hull
- Soundproof aluminum tech/engine room door
- **NEW (2026)** Antifouling bottom paint
- **NEW (2026)** Full exterior detail

#### **A LETTER FROM THE OWNER:**

I conceived KARUNA as a deeply personal project: a semi-custom built power trimaran created with a constant focus on balance, elegance, and uncompromising quality. Her name reflects the spirit in which she was imagined, a yacht designed to deliver serenity, pleasure, and freedom.

To ensure that every detail met the highest standards throughout the build process, I entrusted construction supervision to Loïc Blanken, a well-known international marine surveyor.

Owning and cruising KARUNA has been an exceptional experience. For six months, I explored the Bahamas aboard her, fully enjoying her remarkable comfort, versatility, seakeeping qualities, and the distinctive freedom of life on board. Today, despite my sincere attachment to her, my professional commitments no longer leave me the time she truly deserves. It is for this reason alone that I have reluctantly decided to offer her for sale.

## Information & Features

### 2022 Diesel-Electric Dual Propulsion Hybrid Cummins (Diesel) QSL9290CDIHX (Engine 1)

Engine Type: **Inboard** Drive Type: **Direct Drive**  
Fuel Type: **Other**  
Engine Hours: **400**

### 2023 Diesel-Electric Dual Propulsion Hybrid Bellmarine (Electric) 20KW (Engine 2)

Engine Type: **Inboard**  
Fuel Type: **Other**

### 2023 Diesel-Electric Dual Propulsion Hybrid Bellmarine (Electric) 20KW (Engine 3)

Engine Type: **Inboard**  
Fuel Type: **Other**

### Dimensions
