## Description

Discover the ultimate, ready-to-go blue-water cruising platform with "Confetti." Configured in a highly desirable 4-cabin layout, this vessel has **never been in charter** and has been lovingly maintained by full-time liveaboard owners since 2020.

She stands out far ahead of typical sisterships due to an extensive array of upgrades designed for complete off-grid autonomy, including a massive 1200 Ah lithium house bank, 1600W of solar, Spectra watermaker, and so much more.

Meticulously cared for with exceptional maintenance logs (available on request), highly upgraded, and fully prepared to take her next owners anywhere in absolute comfort.

**US Import Duty Paid, showings available by appointment in Brunswick, GA.**
