Description

2024 AQUILA 42F POWER CATAMARAN
RARE $75,000 DUAL LOWER HELM OPTION
$12,000 NEW & UPGRADED CHILLER PLANT

LOW ENGINE & GENERATOR HOURS
EXTENSIVELY SERVICED & MAINTAINED TO A HIGH STANDARD
US IMPORTED & DUTY PAID

KOKOMO stands apart from the other Aquila 42s currently on the market. Featuring the rare $75,000 factory dual helm option, low engine and generator hours, extensive serving, and meticulous maintenance. KOKOMO represents an opportunity to purchase an exceptionally well equipped and truly turnkey Aquila 42F. While many boats are described as 'turnkey', KOKOMO has been maintained with a relentless focus on both mechanical reliability and cosmetic condition. Significant time and expense have gone into keeping her operating and presenting to a high standard. She is US duty paid and ready for immediate cruising without the cost or headaches of duty and tariffs, deferred maintenance or the additional cost and downtime to outfitting like other pre-owned yachts.
Kokomo just had a major $12,000 Upgrade with a Brand-New, Upgraded Air Conditioning Chiller Plant! This vessel features a newly installed, upgraded chiller system, offering buyers added reliability, improved peace of mind, and the benefit of a major capital improvement already completed. A valuable advantage when comparing Aquila 42 models.
