Description

2014 Leopard 58 4 Cabin Owners Version

This Leopard 58 Extended Bridge Deck delivers the space, luxury, and outdoor living of a much larger yacht—combined with the performance and versatility of a 58-footer. An exceptionally open layout flows seamlessly from the foredeck and forward cockpit through the salon and aft deck, to the swim platform and expansive bridge, all enhanced by 360° views.

Designed for entertaining, the aft deck features a custom bench seat and dining table comfortably accommodating 6–8 guests, while the generous bridge provides an additional spectacular space for relaxing and enjoying the surroundings. With 72,000 BTUs of reverse-cycle air conditioning and heat, comfort is assured in any climate. Opening the forward cockpit door and aft sliding door provides excellent natural ventilation and a true indoor-outdoor living experience.

Below deck, the four-stateroom layout accommodates up to eight guests, including a private owner's suite and three guest staterooms, each with its own ensuite head and shower. The interior features warm cherry joinery with solid-wood trim, complemented by pleated blinds throughout for privacy and light control, plus roller blinds at the aft entry doors.

Combining remarkable volume, luxurious accommodations, expansive entertaining areas, and an exceptional extended bridge, the Leopard 58 Extended Bridge Deck offers the space and lifestyle of a much larger yacht in an impressive 58-foot package.
